Announcing the April meeting of the KITCHENER-WATERLOO Perlmongers

- kw.pm -

For enthusiasts of the Perl programming language

/pub/social

It's been a long cold winter, so we are going to kick off the summer a couple of months early with a social meeting at the Barley Works, upstairs in the Heuther Hotel, near the pool tables, on the 17th of April (the third Thursday of the month, as usual).

Come bring a summer state of mind and leave the laptops at work !  
We will be there from 7pm till ?.
