Announcing the December meeting of the KITCHENER-WATERLOO Perlmongers

- kw.pm -

For enthusiasts of the Perl programming language

/pub/social

Seeing as how all work and no play makes for dull programmers, we are planning a social meeting at the Barley Works, upstairs in the Heuther Hotel, near the pool tables, on the 19th of December (the third Thursday of the month, as usual).

Come bring your holiday cheer and leave the laptops at work !
We will be there from 7pm till ?.
